Summary:

As a highly motivated Python developer, I excel in writing clean, efficient code and fixing critical bugs. My detail-oriented approach ensures top-notch performance and reliability in software projects. I thrive in creative, problem-solving environments and am committed to continuous learning. With a passion for innovation, I'm eager to collaborate on cutting-edge solutions. Ready to make a meaningful impact, I bring dedication and skill to any team.

Project:

Sports Club Administration Portal

(Python, MySQL) Description

- Engineered a Sports Club Administration Portal using Python for back end logic.
- Utilized SQL for efficient database management.
- Streamlined oversight of 100+ sports teams and player profiles

Education:

P.S.G College of Arts & Science
Master Of Computer Application (MCA)
(JUN2023 - MAY 2025) – 78.5%

Sree Saraswathi Thyagaraja College
Bachelor OF Business Administration (BBA)
(JUN 2018 - MAY 2021) - 60%

Suburban Hr. Sec School
Higher Secondary Certificate
(JUN 2016 - MAY 2018) - 50%

Government Boyes Hr. Sec School
School Secondary Leavening Certificate
(JUN 2011 - MAY 2016) - 70%

Experience:

NetTel Solutions- Completed a 15-day **internship** in Python with Machine Learning in April 2024.

Tools:

VS Code
Jupyter Notebook

Certificate:

- Submitted a Project Proposal for "அகிலன் A Bilingual Path to Bridge Tamil and English for Computational Learning" to **TNSCTC**
- Python Developer**
Refinement Software solution
- Python Basic** – HackerRank
- Presented a Paper on "Security Issues in Cloud Computing" at the International Conference (RTIICSM-2024)

Technical Skills:

Programming Languages: **Python**

Database Technologies: **MySQL**

Web Development: **HTML5, CSS3**

Version Control: **Git**

Achievements:

- 6 Month MRC Volley Ball Camp In **Indian Army** (2021-2022)
- Bharathiar University** Winners (2019)
- Junior State** Winners (2019)
- South Zone All India** Tournament (2024)

Language:

- English
- Tamil
